

XL6

I CRAFTED FUTURISM DESIGN LANGUAGE

Signifying NEXA's endeavour to create the cars of tomorrow, the XL6 features NEXA's Crafted Futurism Design Language. A work of art inspired by the future, the design language is exclusively crafted to match the refined taste of the NEXA customers. The design philosophy manifests itself across three pillars:

- **NEXpression**

A powerful expression that resonates in overall design. The XL6 features signature design elements like the new bold Front Grille with Sweeping X-Bar Element, Quad Chamber LED Headlamps and an optional Dual-Tone body for a strong aesthetic appeal. The powerful stance is amplified by the strong shoulder lines that blend seamlessly into the Smoke Grey LED Tail lamps while the large Dual-Tone Machined-Finish R16 Alloys lend stability. All of these come together to ensure that the XL6 is a head turner.

- **NEXtech**

Now indulge yourself with a car that is ready to go even before you get inside. The XL6 comes with in-built Suzuki Connect that allows you to remotely turn on the air conditioning. With a host of comfort enhancing features such as the Ventilated Seats, 360 View Camera and the new SmartPlay Pro Infotainment System, the XL6 caters to the modern buyer's every need and ensures every drive is cocooned in comfort.

- **NEXperience**

Exclusive NEXperiences that are at par with global standards to curate a truly international lifestyle for the ever-evolving NEXA customers.

| TIME TO INDULGE

Indulgence is not just a feeling, it is a state of mind. A privilege enjoyed by a few. It is taking out the time to unwind. To savour every moment. To appreciate the simple pleasures in life. It is listening to your favourite music and letting it envelop your senses or losing yourself in a good book. It is immersing yourself in a feeling that is unmatched and pure. Like going on a drive in the most comfortable car, the XL6.

**BOLD FRONT GRILLE WITH
SWEEPING X-BAR ELEMENT**

**SMOKE GREY LED
TAIL LAMPS WITH LIGHT GUIDE**

**DUAL-TONE MACHINED-FINISH
R16 ALLOY WHEELS**

**ROOF RAILS AND
SHARK FIN ANTENNA**

| A POWERFUL STATEMENT

Capture everyone's attention with an imposing Front Fascia and a sculpted profile that gives the XL6 a dominating stance. Also available in a Dual-Tone Body Colour option for a strong aesthetic appeal, the XL6 turns up the style quotient. Go for a drive and make your presence felt even from a distance with the XL6.

Featuring a distinct new Front Chrome Grille with a Sweeping X-Bar that flows smoothly into the Quad Chamber LED Headlamps as LED DRLs, the XL6 makes its presence felt. The distinct hood is complemented by aggressive shoulder lines that firmly highlight its body contours and seamlessly flow into the Smoke Grey LED Tail Lamps, carrying the powerful design from the front to the rear. Sporty Roof Rails, a Back Door Spoiler and the new Shark Fin Antenna radiate an unmistakable sense of style while the striking Dual-tone machined-finish R16 Alloy Wheels evoke a sense of stability whenever you take it out for a spin.

DASHBOARD WITH PREMIUM STONE FINISH AND PM2.5 FILTER

AUTO AC

CAPTAIN SEATS

VENTILATED SEATS

| DESIGNED FOR YOUR COMFORT

Impressive design meets indulgent interiors in the XL6. The Front Door Courtesy Lamps create a welcoming environment from the moment you open the door, while the warm footwell lighting adds to the relaxed ambience.

The sculpted Instrument Panel in premium stone finish accentuated by rich silver accents, perforated leatherette upholstery and soft touch elements lend the cabin a highly exclusive ambience.

The Ventilated Seats in the front row keep you comfortable no matter what the temperature is outside while the second row Captain Seats provide for optimum relaxation when you just want to sit back and unwind. The third row seats ensure that you never run out of space and can even be folded flat for additional boot space. No matter which seat you choose, the XL6 allows you to relax, lean back and unwind as the landscapes pass by.

Keeping comfort in mind, the XL6 comes with Automatic Climate Control that adjusts the cabin's temperature and lets you feel indulged in its truest sense while thoughtful elements such as the IR Cut Front Windshield and Dark Green UV Cut Glass keep you cool and protected

| PM2.5 FILTER

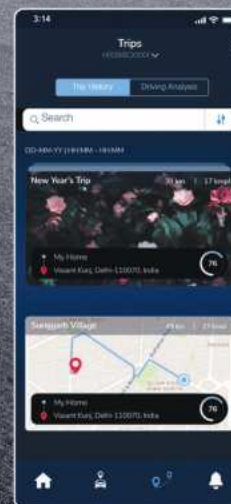

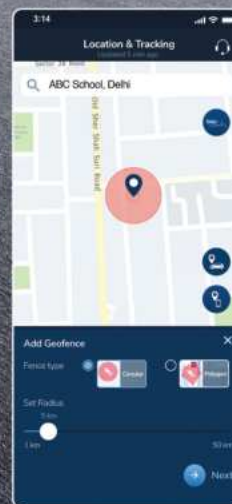

| INDULGE IN INNOVATION

The XL6 caters to the ever-evolving needs of the NEXA customer by providing technologies that delight.

Equipped with the 360 View Camera, experience ease while parking and maneuvering through tight spaces. With multiple view modes including a Virtual 360 View, Approaching Object Detection (AOD) feature, steering based dynamic gridlines project the path so that you can experience the comfort of parking like never before.

CONNECT TO INDULGE

An exclusive driving experience starts long before you get into the car and does not stop even when you get out of it. Now, always stay connected with the XL6 with the in-built Suzuki Connect - An Advanced Telematics Solution that takes your connected car experience to a completely new level.

This connected technology has a suite of features that lets you remotely access the Air Conditioning System*, lock the car doors, get real-time status of the vehicle's movement, security and safety alerts as well as keep up with your vehicle's real-time health. The XL6 can also be accessed through a compatible Smartwatch & Voice Connectivity through Suzuki Connect Skill for Amazon Alexa**.

**Suzuki Connect is subscription based and a network dependent telematics solution.
*Available at selected variant only.

INDULGE IN INFOTAINMENT

Intelligent and Indulgent. That's the kind of ambience you can expect in the XL6. Equipped with the new SmartPlay Pro (17.78cm) with an Advanced Voice Assistant and customisable screens, the XL6 provides for a highly personalized experience.

It lets you call, text, play music and navigate using your Smartphone via Wireless Android Auto[®] and Apple CarPlay[™] for seamless connectivity. The display also allows you to easily access important vehicle information and control features like Auto Door Lock/Unlock, Front Footwell Light, Tyre Pressure Monitoring System and more with just a touch.

| INFORMATION AT A GLANCE

The XL6 has a Multi-Information Display for instant access to vital vehicle information. You can track the fuel consumption, energy flow, trip details, driving range and individual tyre pressure. The Tyre Pressure Monitoring System (TPMS) displays the individual tyre pressure on your XL6 and warns you in the event of a change in tyre pressure thereby ensuring optimum riding comfort and increasing your safety on the road.

**PROGRESSIVE
SMART HYBRID TECHNOLOGY**

NEXT GEN 1.5L K-SERIES ENGINE

PADDLE SHIFTERS

**6-SPEED AUTOMATIC
TRANSMISSION**

CHASSIS WITH S-CNG

| EXPERIENCE THE JOY OF DRIVING

Experience indulgence at its full potential with the XL6. It comes with the Next Generation K-Series 1.5L Dual Jet Dual VVT Petrol Engine with Progressive Smart Hybrid Technology that delivers a refined driving experience.

Choose between the proven 5-Speed Manual Transmission or the new 6-Speed Automatic Transmission that provides a smooth drive and comes with steering mounted Paddle Shifters for an engaging drive experience.

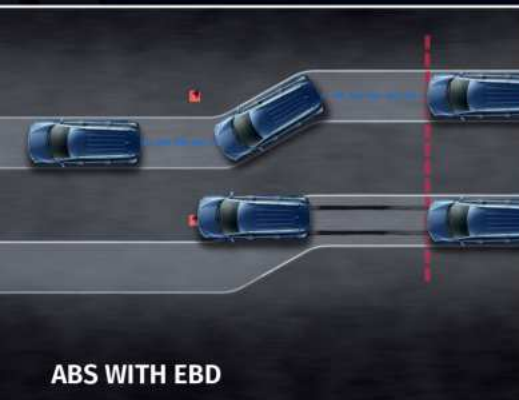

The XL6 is also available with factory fitted S-CNG in Zeta variant. It is equipped with dual inter-dependent Electronic Control Units (ECU) and an intelligent injection system to provide an air-fuel ratio that ensures optimum performance and a superior fuel efficiency, making it one of the eco-friendly mobility solutions with lower carbon emissions. S-CNG continues to deliver safety along with durability.

Image is only for illustration purposes. S-CNG Zeta variant has one fire extinguisher below co-driver seat for safety purposes.

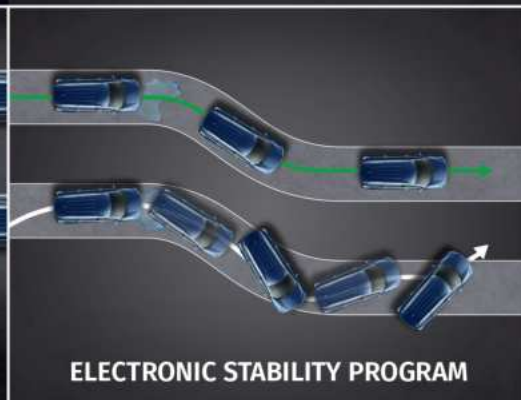

For details on the functioning of airbag and other safety feature kindly refer to owner's manual of vehicle.

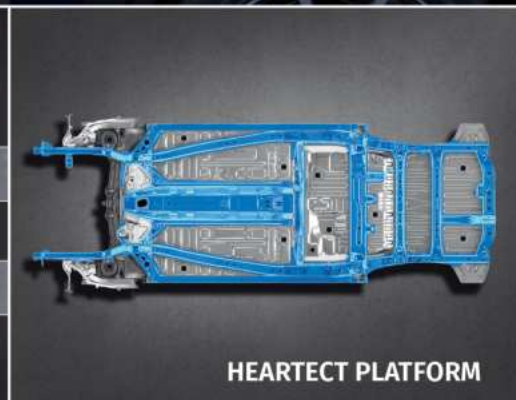

6 AIRBAGS

ABS WITH EBD

ELECTRONIC STABILITY PROGRAM

HEARTECT PLATFORM

HILL HOLD ASSIST

| NEXA SAFETY SHIELD

The XL6 indulges you with care when it comes to your safety. It is built on Suzuki's renowned HEARTECT platform with extensive usage of high tensile Steel for effective absorption and dispersion of crash energy.

It comes with a host of standard safety features such as 6 Airbags for your enhanced protection and with ESP and Hill Hold Assist. The Hill Hold Assist automatically activates while driving uphill and prevents your car from rolling backwards momentarily on an inclined slope while the ESP helps in improved vehicle control and stability.

In addition, the XL6 has ISOFIX Child Seat Mounts, Speed Alert System, All-occupant Seat Belt Reminder, Rear Parking Sensors and many more features dedicated to your safety and comfort when on the move.

| EXPRESS YOUR STYLE

Flaunt your style with a wide range of body colour options available in the XL6. It even features three dual-tone options for those who like to make a bold statement. No matter which colour you choose, you are bound to make an impression.

Car colour may vary due to printing on paper. Images are used for illustration purpose only.
